Chinese Language Learning Support for the NCS

Dear Parents/Guardians,

Our school is committed to assisting all non-Chinese speaking (NCS) students in adapting to the local education system and integrating into the community quickly. Therefore, the school has the following Chinese Language Learning Support for the learning and adaptation needs of the NCS students:

(1) The Small Parallel Class Teaching Scheme:

I. Chinese Lessons

a. 1A – 4A:

Some of NCS pupils will be withdrawn from all their normal Chinese classes and put in the small parallel classes so that they can have more attention and help from their Chinese subject teachers. The curriculum and examinations are the same as their normal classes.

b. 5A – 6A:

Some of NCS pupils will be withdrawn from their double Chinese writing lessons and a single Chinese dictation lesson and put in the small parallel classes every week so that they can have more attention and help from their Chinese subject teachers. The curriculum and examinations are the same as their normal classes. (Students will not be withdrawn during the online learning. However, withdrawal will go on after the face-to-face courses resume.)

II. Putonghua Lessons

- c. Instead of two Putonghua lessons in the past, there will be no Putonghua lessons and they will be changed to General Studies and Mathematics lessons. (P.1 NCS students will still be withdrawn in Putonghua lessons to train their Chinese oral skills during the online learning. Apart from P.1 students, students in other levels will not be withdrawn during Putonghua online learning. However, they are requested to finish extra Chinese online homework every week. After the face-to-face courses resume, withdrawal will go on.)

(2) After-school Tutoring Class for Chinese Language: (2:30 p.m. – 4:15 p.m.)
