Dear Parents/Guardians,

To promote reading habit and enhance parental communication and relationships, the school is going to organize Parent and Children Reading Sharing Scheme. Parents and students are invited to join the scheme, in order to foster the family reading atmosphere and share some precious moments.

The scheme is fully supported by the school library, which will provide a platform for students and parents to share their readings. (Participants can select any books, included but not limited to the recommended books by the library.) Our principal and teachers will share their recommended readings on the platform with students as well! Let's share books together!
