## **Notice (No : 023/2020) Appendix**

The Education Bureau will provide 'Free Lunch at Schools' (Free Lunch) for eligible primary students in the 2020/21 school year. Parents are now invited to join the programme. Details in connection with the application are as follows:

- Eligible Students:** Primary 1 to Primary 6 students meeting all of the following criteria can participate in the captioned programme:
- (i) receiving full grant under the Student Financial Assistance Schemes (SFAS) in the 2020/21 school year;  
[Note: Parents are required to submit documentary proof on SFAS full grant status (i.e. Notification of Result for Assessment of Eligibility 2020/21 or Eligibility Certificate 2020/21) to the school to facilitate the arrangement on lunch payment for the eligible students]
  - (ii) studying in whole-day government, aided (including special schools) or Direct Subsidy Scheme (DSS) primary schools; and
  - (iii) having lunch arranged by their attending schools. [Note: Students bringing their own packed lunch to school will not be provided with the subsidy.]
- Principles:** Participating schools will be provided with the relevant direct funding by the Education Bureau for making lunch charges on behalf of the students meeting all the above criteria.
- Points to Note:**
- (i) Parents can decide whether to participate or not. Parents should submit applications for the Free Lunch at schools and provide the documentary proof required.
  - (ii) In principle, the lunch subsidy should be available from the date on which the application for the Free Lunch is submitted by parents. There should be no retrospective effect on lunch subsidy before the date of application.
  - (iii) Since it takes time for assessment of the SFAS applications and it is common to make lunch charges in advance, for parents who are waiting for the assessment result of the SFAS when submitting the application for the Free Lunch, and have already made the payment for the lunch expenses for their children, the school will arrange the lunch supplier to return the relevant payments to the parents upon production of the documentary proof as required.
  - (iv) If parents do not intend to apply for the Free Lunch at the beginning of the school year, they can submit their applications to schools later. However, the lunch subsidy will only be available from the date on which the application for the Free Lunch is submitted to the school by parents. There should be no retrospective effect on lunch subsidy before the date of application.
  - (v) The information provided by parents is used only for the processing of the application for the Free Lunch.
