STEPPING UP ACADEMIC EXCELLENCE

With steady progress in academic performance in recent years, our school has been widely recognized as a Band 2 school, reflecting the solid accomplishments of our teaching team and our students' commendable achievements.

NATIONAL AEROSPACE CHARACTERISTIC SCHOOL: CULTIVATING CONFIDENCE THROUGH DIVERSE EXPERIENCES

As a recognized "National Aerospace Characteristic School", we adopt an aerospace curriculum accredited by the Chinese Society of Astronautics (CSA). By integrating a wide range of external activities, competitions, and hands-on practice, we foster students' innovative mindset and self-confidence across all dimensions. Our students excel in external competitions, achieving an average of over one award per student and demonstrating their outstanding potential.

TAILORED ENGLISH CURRICULUM

Dedicated to strengthening students' English language proficiency, our school provides opportunities to study various subjects in English based on Pre-S1 Hong Kong Attainment Test results. As such, we empower learners to excel in both language application and academic knowledge.
