

The Year of 2023/24

Provision of Educational Support for Non-Chinese Students

School Support Summary

Kam Tin Mung Yeung Public School

Our school have been provided with additional funding/appropriation from the EDB for the year 2023/24. In order to cooperate with the current condition of our school, we will be providing educational support to the selected Non-Chinese Students (NCS) of this year. The planning of the student assistance will be held responsible by professional teaching staff and small groups. Further details are as below (if appropriate, please put a “☐” in the box provided, and also write down the information required)

- (1) Our school assessed the NCS ability of learning and their needs, and implemented the following ways in order to strengthen the support for their Chinese learning in 2023/24. (More than one option can be selected) # :
- ✓ The recruitment of 3 addition teaching staff and 0 teaching assistant (including assistants from different nationalities) in order to support NCS learning in Chinese.
